3. Disclaimer. Sponsor will not be responsible for (a) any late, lost, misrouted, garbled or distorted, inaccurate, incomplete or damaged transmissions or entries; (b) telephone, electronic, hardware, software, network, Internet, or other computer- or communications-related malfunctions or failures; (c) any Tournament disruptions, injuries, losses or damages caused by events beyond the control of Sponsor (although the Sponsor will take reasonable precautions to ensure reasonable safety); or (d) any printing or typographical errors in any materials associated with the European Championship Tournament. Additionally, in accordance with the [Battle.net End User License Agreement](#) and without limiting Sponsor's rights therein, Sponsor retains the right to modify or delete content, data, digital cards,

accounts, statistics, user profiles, and any information created, accumulated, stored or uploaded to an Account at any time and for any reason at its sole discretion.

4. Tournament Registration. The European Championship Tournament is a team based competition, with a group of no less than five (5) Eligible Participants playing together to compete as a team (“Team”), where the members of a Team shall be designated by one (1) Eligible Participant for each Team who operates as the “Team Captain,” and who invites other Eligible Participants to join the Team. Each Team may also invite up to two (2) additional Eligible Participants to act as substitute players for the Team. Substitute players may take the place of another member of the Team if that Team member cannot attend a match. Substitute players must be Eligible Participants, and will be subject to eligibility verification per Section 2 of these Rules. Substitute players are not eligible to win prize unless they take the place of another member of the Team formerly withdraws from the Team, after which the Substitute player will replace the former Team member and become ineligible to win prizes in Tournament from that point on.

5. Rules of Operation.

A. Game Requirements. Eligible Participants must have installed the most recent version of Heroes of the Storm (the “Game”) with access to fourteen (14) Heroes in order to participate in the European Championship Tournament. It is anticipated that updates to Game will be released during the European Championship Tournament, and in such an event, Eligible Participants must install all updates prior to set match times. Sponsor is not responsible for any failure of an Eligible Participant to install the most recent version of the Game. All Game heroes that are available for game play in the most current version of Game will be eligible for play in the European Championship Tournament, subject to the Eligible Participant having obtained a license to use a hero that is not available in the base version of Game. Sponsor reserves the right, in its sole discretion, to restrict certain heroes from the European Championship Tournament at any point during the European Championship Tournament.

6. Tournament Format. During the months of July and August, 2015, Teams will be able to compete in three qualifier tournaments (“Qualifier(s)”) with individual qualifier finals (“Qualifier Finals”). The qualifiers will be played in a best of three single elimination format until the round of eight. Starting with the round of eight the qualifier finals begin. The qualifiers finals will be played in a best of three double elimination. The top eight (8) Teams will compete to earn a chance to compete in the European Championship Finals, as follows:

A. Qualifier tournaments. The first Qualifiers will take place, subject to Sponsor’s right to change the date with a reasonable notice, on July 25th -26th and the first Qualifier Final tournament will take place on August 1st and 2nd, 2015. The second Qualifiers will take place on August 15th-16th, 2015, and the second Qualifier final tournament will take place on August 22nd-23rd, 2015. The third qualifiers will take place on August 29th-30th, 2015 and the third qualifier final will take place on September 5th-6th.

B. The Teams that finish in First, Second and Third place in the first and second Qualifier Final Tournament will each earn an invitation to the European Championship Finals. The teams that finish First and Second place in the third Qualifier Final tournament will each earn an invitation to the European Championship Finals.

C. The European Championship Finals. The eight (8) top Teams from the three Qualifiers will qualify for the European Championship Finals, and compete in a ‘Best of 3- Double Elimination,’ tournament in October, 2015, at a location of Sponsor’s designation to determine which two Teams will be invited to BlizzCon to compete in the 2015 Heroes of the Storm™ – Road to BlizzCon® Finals (“World Championship Finals”). Sponsor will email the Team Captains of the Teams that qualify to inform the Teams of the date and time of the Final Call tournament. The Team Captain will then inform Sponsor which five (5) members of the Team will compete in the Event. The European Championship Finals will feature a group stage, dual tournament format to single elimination, where Sponsor shall have the option to use a ‘best of 5,’ format should Sponsor choose to do so. The two (2) Teams that finish as

the first and second place finishers in the European Championship Finals will qualify for the World Championship Finals.

D. Match Format.

(i) All matches played during this tournament will be played according to the terms and conditions of the Battle.net End User License Agreement and these Official Rules. Sponsor may make changes to the format of this tournament if necessary to accommodate special circumstances. The decisions of Sponsor are final. Sponsor is not responsible for the performance or reliability of any of the gaming services or servers used to participate in this tournament or the connection provided by an Eligible Participant's ISP.

(ii) Matches shall consist of two (2) Teams competing by playing the Game on Battle.net servers operated by Sponsor, utilizing the Game in 'Custom,' game mode, and 'Standard,' lobby mode in accordance with these Official Rules (a "Match"). The Eligible Participants that make up both Teams to a Match will be able to select from any heroes that are available to them on their Battle.net accounts. In order to play a Match, each Team must have five (5) Eligible Participants who have been registered by the Team Captain as Team Players, or Substitute players for the Team, present in a Game lobby no later than ten (10) minutes after the Match time set by Sponsor. The first map for each round during the Match will be communicated on the bracket page or by Sponsor, or tournament administrators designated by Sponsor, before that round of Match play begins. After the initial game of a Match is played, the losing Team will be allowed to choose from any remaining Game maps for the next game in the Match.

(iii) The Teams will then go through a draft process to determine which heroes will be played by which Team. One Team will be determined at random to choose first ("Team A"), with the other team being referred to in this Section as "Team B." The Teams will then choose heroes as follows:

Round 1 – Team A chooses 1 Hero

Round 2 – Team B chooses 2 Heroes, and then Team A chooses 2 Heroes

Round 3 – Team B chooses 2 Heroes, and then Team A chooses 2 Heroes

Round 4 – Team B chooses 1 Hero

During this process, each team will have two (2) 'bans,' that will allow the Team a window of time to 'ban' a hero chosen by the other team, forcing the other team to choose a different hero. Once a Hero has been banned, it cannot be chosen by either Team to be included in that Match. Once each Team has chosen five (5) Heroes through this process, the Match will commence.

(iv) Matches that take place during qualifying will utilize the best of 3 format, where the first Team to win two (2) games wins the Match, and Sponsor shall have the option to use a 'best of 5,' format where the first Team to win three (3) games in a Match wins the Match for European Championship Finals matches.

(v) Eligible Participants who are registered as substitutes for a Team may play in any game in a match. Each Team may only have a maximum of two eligible substitutes that do not have a position on any other Team in the European Championship Tournament.

E. Tournament Defaults. The following can result in a lost match or other penalties to be assessed against an Eligible Participant who is participating in the European Championship Tournament:

(i) Once a Tournament match begins, should one or more Eligible Participants on a Team lose their connection to the Battle.net service and 'drop,' the game will continue, with the other members of the Team continuing to play.

(ii) Should a Team not have five (5) Eligible Participants on its roster present 10 minutes after the set match time, that Team will forfeit the match, and the winning Team will be required to take a

screenshot of the lobby and report a “no show” in the match reporting. The members of the winning Team will also be required to stay online and available for 20 minutes after the set match time in the event that Sponsor needs to contact the Team Captain (in the case of technical issues, misreporting, etc.), or Sponsor may require a ‘re-game’ (see Section 1F below).

(iii) The usage of an Eligible Participant who is not registered as a player or substitute player on a Team’s roster will result in penalties that could include loss of the match, disqualification, or a re-game, at Sponsor’s sole discretion.

(iv) If a Team leaves a match before a winner has been determined, that Team then forfeits the match, and may be subject to disqualification.

F. Re-Games. In certain situations, Sponsor may require that a match be replayed, or “re-gamed,” if circumstances exist that in Sponsor’s opinion prevented the match from being decided properly. In such an event, the “re-game,” must be played with the same heroes that were chosen for the match that is to be re-gamed. It is the responsibility of the Teams to obtain a screenshot that demonstrates the reasons for a possible re-game, and to deliver that screenshot to Sponsor. In the absence of such evidence, it is unlikely that Sponsor will require a re-game.

G. Cheating. Eligible Participants must compete to the best of their ability at all times. It is each Eligible Participant’s responsibility to know and understand the rules as they exist during the European Championship Tournament period. Any form of cheating will not be tolerated. If the Sponsor determines that an Eligible Participant is cheating or otherwise interfering with the European Championship Tournament, the Eligible Participant will be immediately disqualified and removed from the European Championship Tournament and may be restricted from participating in any events in the future, and have all of their licenses to all Blizzard games revoked. Eligible Participants may be requested to install software on their computers for the duration of the European Championship Tournament which is specially designed to detect cheating. Examples of cheating would include, without limitation:

(i) Actions to intentionally alter or attempt to alter the results of any match, including losing a match to advance one Team or another Team’s position in the European Championship Tournament. If Sponsor determines that a Eligible Participant is colluding or match fixing, the Eligible Participant will be immediately disqualified and removed from the European Championship Tournament and may be restricted from participating in future events and have all of his or her licenses to all Blizzard games revoked; and

(ii) Attempts to interfere with another Eligible Participant’s connection to the Game service through Distributed Denial of Service (DDoS) or any other means; and

(iii) Any incidence of Eligible Participants allowing individuals who are not the Eligible Participants to play on an Eligible Participant’s Battle.net account in any of Blizzard games.

ALL ELIGIBLE PARTICIPANTS MUST BE VERIFIED BY SPONSOR TO ENSURE THEIR ELIGIBILITY PRIOR TO BEING DECLARED A WINNER (AS DEFINED BELOW) AND/OR RECEIVING ANY PRIZE. DISPLAY OF STATISTICS IN THE GAME (E.G. ON A LEADERBOARD) DURING THE EUROPEAN CHAMPIONSHIP TOURNAMENT PERIOD DOES NOT ENTITLE ANY ELIGIBLE PARTICIPANT TO A PRIZE.

G. Gambling. Eligible Participants are not allowed to place or attempt to place wagers on any matches or actions in, or around, any Blizzard title.

H. Unsportsmanlike Behavior. Should Sponsor determine that an Eligible Participant commits, or threatens to commit, violent acts against any other Eligible Participant in the European Championship Tournament, a Sponsor representative, or any spectator of the European Championship Tournament, or engages in any unsportsmanlike behavior, the Eligible Participant may be disqualified from the European Championship Tournament. Sponsor reserves the right at its sole discretion to disqualify any individual

suspected of tampering with the entry process or the operation of the European Championship Tournament; or to be acting in any manner deemed by Sponsor to be in violation of the Official Rules; or to be acting in any manner deemed by Sponsor to be unsportsmanlike or disruptive, or with intent to annoy, abuse, threaten or harass any other person. CAUTION: ANY ATTEMPT BY A USER OR ELIGIBLE PARTICIPANT OR ANY OTHER INDIVIDUAL TO DELIBERATELY DAMAGE ANY WEBSITE RELATED TO THE EUROPEAN CHAMPIONSHIP TOURNAMENT OR UNDERMINE THE LEGITIMATE OPERATION OF THE EUROPEAN CHAMPIONSHIP TOURNAMENT IS A VIOLATION OF CRIMINAL AND CIVIL LAWS AND SHOULD SUCH AN ATTEMPT BE MADE, SPONSOR RESERVES THE RIGHT TO SEEK DAMAGES AND COSTS (INCLUDING WITHOUT LIMITATION, ATTORNEYS' FEES) FROM ANY SUCH PERSON TO THE FULLEST EXTENT PERMITTED BY LAW.

G. Replacement of Disqualified Teams. Should a Team be disqualified from the European Championship Tournament by Sponsor, the Team that was the last Team to be defeated by the disqualified Team will take the place of the disqualified Team in the European Championship Tournament.
