

2018 OVERWATCH CONTENDERS OFFICIAL RULES

Version 1.1

INTRODUCTION

Blizzard Entertainment, Inc. (“**Blizzard**”) created Overwatch® Contenders (“**Contenders**”) to serve as the premier Overwatch® competition platform outside of the Overwatch League™. Overwatch Contenders will provide a cohesive global competitive Overwatch ecosystem as a platform to showcase the best competitive Overwatch players in the world.

These 2018 Overwatch Contenders Official Rules, including any updates, amendments or supplements thereto (“**Official Rules**”) codify the rules and standards of conduct that will apply as a condition to participation in Contenders. These Official Rules apply to all Teams, Team Owners, Team Managers, Team Staff, and Players (“**Participants**”) who are actively participating in Contenders or any event related to Contenders. These Official Rules have been designed to ensure the integrity of all Contenders competition, to protect the image and reputation of Contenders and to create a consistent and high-quality experience for members of the public that view Contenders events.

These Official Rules form a contract between Participants, on the one hand, and Blizzard and its affiliates who are engaged in operating Contenders, on the other hand. These Official Rules establish the general rules of tournament play, including rules governing player eligibility, tournament structure, points structure, prize awards, and player conduct. These Official Rules also contain limitations of liability, license grants, and other legally binding contractual terms. Each Participant is required to read, understand, and agree to these Official Rules before participating in Contenders.

THESE OFFICIAL RULES AND ALL DISPUTES RELATED TO OR ARISING OUT OF YOUR PARTICIPATION IN CONTENDERS ARE GOVERNED BY A BINDING ARBITRATION CLAUSE IN SECTION 14 AND A WAIVER OF CLASS ACTION RIGHTS AS WELL AS LIMITATIONS OF LIABILITY AND RELEASE PROVISIONS IN SECTION 12. THESE CLAUSES AFFECT YOUR LEGAL RIGHTS AND REMEDIES, AND YOU SHOULD REVIEW THEM CAREFULLY BEFORE ACCEPTING THESE OFFICIAL RULES.

Blizzard will designate certain employees, agents, or other representatives to serve as “**Tournament Administration**” to operate Contenders, implement these Official Rules, and serve as the point of contact for Teams and Team Owners.

If a provision of these Official Rules is or becomes illegal, invalid, or unenforceable in any jurisdiction, that shall not affect the validity or enforceability in that jurisdiction of any other provision of these Official Rules or the validity or enforceability in other jurisdictions of any other provision of these Official Rules.

1.ACCEPTANCE OF OFFICIAL RULES

1.1 **Acceptance.** Each Participant must agree to these Official Rules to participate in Contenders. You may accept these Official Rules by any one of the following methods:

- Registering to participate in Contenders;
- Signing a Contenders Participation Form either in print or digitally;
- Participating in any match that is part of Contenders.

1.2 **Changes to and Enforcement of these Rules.** The field of professional esports competitions is still relatively new and changing rapidly, and these Official Rules will evolve in real time to keep pace with those changes. Accordingly, in its sole discretion, Blizzard (a) may update, amend or supplement these Official Rules from time to time; and (b) may interpret or apply these Official Rules by releasing bulletins, notices, explanatory videos, online postings, e-mail and/or other electronic communications that provide instructions and guidance to Participants. Blizzard’s authority, responsibility, obligations and consent rights as expressed herein will be exercised in Blizzard’s sole discretion. Any material changes to these Official Rules will be provided to the Participants prior to the next Contenders event in which the changed rules will apply. Participation in Contenders will constitute acceptance of the changed rules. Changes to Section 14 will be governed by the provisions in that section.

- 2.2 **Player names.** Players must use an acceptable name in Contenders competition. Players may use Battle Tags or handles during Contenders. If a Player does not use his or her legal name, Tournament Administration reserves the right to restrict or change a Player's tag, handle, or other name. Tournament Administration reserves the right to revoke the eligibility of any Player whose Battletag is offensive, toxic, or incorporates any Blizzard or third party intellectual property.

 - 2.2.2 Player names may not include a product name or description.
 - 2.2.3 Player names may not include any words that are purely commercial.
 - 2.2.4 Player names must comply with these Rules.

3. TEAMS

- 3.1 **Team License.** Each Team Owner will receive a license to operate a Team for the duration of the Contenders season (a "**Team License**"), subject to the Team and Team Owner's compliance with these Official Rules. Renewal of the Team License for future Contenders seasons is at Blizzard's sole discretion. Each Team Owner may hold only one Team License per Region. Each Team Owner must agree in writing to be bound by these Official Rules.
- 3.2 **Overwatch Contenders Season One Teams.** A "**Team**" will consist of up to nine (9) Players and a Team Manager (who may be one of the Players on a Team).
- 3.3 **Team Owners.** A "**Team Owner**" must be either (a) a legal entity formed under the laws of a country in the Region in which the Team will compete or (b) an individual who is a resident of a jurisdiction in the Region in which the Team will compete. A Team License may not be held directly by a Player. In the event a Player-owned organization advances from the Open Division to Contenders Trials, Tournament Administration will coordinate with the Team Owner to determine the necessary steps to transfer ownership to an approved Team Owner.
- 3.4 **Team Manager.** Each Team will have a single individual designated as Team Manager. The Team Manager may be one of the Team's Players. The Team Manager will be responsible for communicating with Tournament Administration on behalf of the Team.

3.5 Team Management. The Team Manager will act as a Team's primary contact for all roster changes, rule disputes, and other communication between each Team and Tournament Administration.

3.5.1 Single Channel Inquiries. Only the Team Manager should contact Tournament Administration regarding Team-related issues.

3.5.2 Designation. Team Managers must be designated before the initial Roster Lock. In the event of a Team Manager change, Tournament Administration must be informed by the Team Owner.

3.5.3 Final Decisions. Team Managers maintain active control over the team as outlined in this document, but in the case of a dispute the final decision-making power lies with the Owner of a Team.

3.5.4 Transfer of Ownership. A Team License is non-transferable unless the transfer is approved in writing by Tournament Administration. Tournament Administration reserves the right to disapprove any proposed Team License transfer for any reason or no reason.

3.5.5 Team Replacement. In the event that a Team Owner violates these Official Rules, Blizzard may, at its option, disqualify the Team from competition and replace the Team with another Team.

3.6 Team Branding

3.6.1 Each Team must have an original name and logo and consistent team colors (the "**Team Branding**"). By agreeing to these Official Rules, the Team Owner represents and warrants that the Team Owner owns or has obtained all the necessary rights, licenses and permissions to use the Team Branding in connection with the Team and Contenders and to grant to Blizzard the licenses set forth in Section 13.

3.6.2 All Team apparel must be submitted to Tournament Administration at least 2 weeks before it is intended to be shown on broadcast or appear at a live event. Teams and players are required to have their own physical branding in the event that the team is to play in an on-site event. Teams will be required to source this branding on their own.

3.7 Roster Requirements.

3.7.1 Starters. Each Team must designate six (6) starting Players.

3.7.2 Substitutes. Each Team may designate up to 3 substitute Players. These Players may replace starters during the Season. Teams may utilize any available substitute who is present on their Roster. Substitutes may change teams between Weeks.

3.7.3 Roster Declaration. Players present in the game lobby during the first map selection are declared players for the first map of a match. Roster substitutions may be declared from this point on.

3.7.4 Roster Changes. All roster changes must be communicated to and approved by Tournament Administration. Roster change requests must be made by the Team Manager, and must be submitted before Roster Lock for that week.

3.7.5 Roster Locking. Rosters will have Roster Locking periods, where rosters will be unable to be altered prior to upcoming matches. After a Roster Lock begins, rosters will not be available for alteration. Tournament Administration may overrule this due to unforeseen circumstances.

- 3.7.5.1 **Roster Submissions.** Rosters for each week must be submitted to contenderssupport@blizzard.com prior to Roster Lock.
- 3.7.5.2 **Substitute additions.** Substitutes must also be added or removed prior to these Roster Lock periods to be eligible for use during play.
- 3.7.5.3 **Initial Season Roster Lock, Week 1.** Rosters for Week 1 must be submitted by February 1, 2018; except that Teams qualifying out of Contenders Trials must submit their rosters within 24 hours of after the conclusion of Trials play.
- 3.7.5.4 **Week 2 - Week 5.** Rosters will lock **72 hours** prior to each team's match of that week's play.
- 3.7.5.5 **Playoffs.** Rosters will be locked to the Week 5 Roster for the weeks of the Playoffs.
- 3.7.5.6 **Contenders Trials.** Initial rosters for Season Two Trials must be submitted a minimum of 72 hours prior to a Team's first match.
- 3.7.5.7 Rosters will not be available for changes following a Roster Lock for **any reason**, except in the event a Player is signed to an Overwatch League contract. Teams may not start matches or subsequent maps without a full six (6) man roster, and will not have the ability to add substitutes following a Roster Lock.

3.8 **Adding players to a Roster.** The following outlines the process for submitting a roster addition (and subsequent roster changes) to Administration.

- 3.8.1 **Required Information.** The following is a list of required information for Players. This will need to be provided for every roster submission and change.
 - 3.8.1.1 **Full Name.**
 - 3.8.1.2 **Player Battle Tag** – Example: Krusher99#9999 (This is case sensitive). If a Player makes a change to his or her Battletag, the change must be done prior to a Roster Lock. Team Captains or Managers must inform Tournament Administration of any Players on the Roster that have changed their Battletag.
 - 3.8.1.3 **Player Twitter**
 - 3.8.1.4 **Role (DPS, Tank, Off-Tank, Support, Flex)**
 - 3.8.1.5 **3 Main Heroes Played**
- 3.8.2 **Player Photos.** Initial roster submission will require a Player photo. For roster changes following Week 1, Player photos will need to be submitted no later than 5 days following the roster change. Player photos will need to be taken with the following guidelines in mind:
 - 3.8.2.1 Waist up framing
 - 3.8.2.2 Arms should either be folded in front or resting at the side
 - 3.8.2.3 Face the camera (including square shoulders/body)
 - 3.8.2.4 Daylight preferred (or other well lit area)
 - 3.8.2.5 Make sure there are no harsh shadows on the face
 - 3.8.2.6 Wear Team Jersey or other non-branded color coordinated shirt
 - 3.8.2.7 No hats or covering of the face, including sunglasses

3.8.2.8 Background

3.8.2.8.1 Solid Color

3.8.2.8.2 Green screen preferred or other bright solid color

3.8.2.8.3 Stand around 6 feet away from the background preferred.

3.9 Player Restrictions. There are several restrictions that may apply to Overwatch Contenders *Season One* Players throughout the course of the tournament.

3.9.1 Week 1 – Week 4 Player Restrictions. During the first four (4) weeks of the season, Players are restricted to playing for **one Region** at any given time. Players may also only be present on the roster of a **single team** at any given time, including Open Division teams and Contenders teams.

3.9.2 Week 5 – Conclusion of Tournament. Starting Week 5 of Overwatch Contenders *Season One*, any Player who plays at any point during a match will be locked to their Team roster for the remainder of *Season One*, regardless of Region. For clarity, Players that are substitutes on a Team Roster will not be affected by this restriction until they play in a match in or after Week 5.

3.10 Player Contracts.

3.10.1 Team Owners may enter into services agreements with Players in connection with Player participation on the Team. Any such contracts must comply with applicable laws. Team Owners may not jointly negotiate, coordinate, or otherwise cooperate in negotiating or setting the terms of Player contracts, including without limitation through the use of a common agent.

3.10.2 Any services agreement between a Team Owner and a Player must permit the Player to:

3.10.2.1 negotiate with Overwatch League teams regarding service as a player in the Overwatch League; and

3.10.2.2 terminate the Player's agreement with the Team Owner in the event the Player accepts a written offer to join the Overwatch League.

3.10.3 In the event a Player under a services agreement with a Team is signed to an Overwatch League player contract, the Overwatch League team will pay to the Team Owner a one-time fee equal to 25% of the Player's total annual Overwatch League salary and signing bonus during the Overwatch League season in which the Player is signed (a "**Transfer Fee**"). The Transfer Fee must be paid from the Overwatch League Team to the Team Owner within 30 days of the Player's execution of an Overwatch League player contract.

3.10.3.1 For example, and without limitation, in the event a Player is signed to an Overwatch League contract during the Transfer Window of Overwatch League Season 1 which provides for a total annual salary of \$50,000 with a \$10,000 signing bonus, the Overwatch League Team would owe a total Transfer Fee of \$15,000.

4. SEASON ONE STRUCTURE AND SCHEDULE

4.1 Regions. Contenders Season One will operate in seven regions worldwide (each, a "**Region**"):

4.1.1 **Australia**

- 4.1.2 **China**
- 4.1.3 **Europe**
- 4.1.4 **Korea**
- 4.1.5 **North America**
- 4.1.6 **Pacific**
- 4.1.7 **South America**

- 4.2 **Contenders Trials.** Blizzard will invite 8 Teams per Region to participate in Contenders Trials. The top Teams will advance to participate in Contenders, subject to slot availability and as determined by Tournament Administration. At the beginning of each Contenders Season, as defined by the start of Contenders Trials, Blizzard will invite 16 Teams per Region to compete; eight (8) teams will enter Contenders directly via the previous Contenders Season and eight (8) teams will compete for the remaining Contenders spots.
- 4.3 **Regular Season.** Each Region will consist of a total of 12 Teams. Each Region will feature a **single round robin** group stage, with each Region containing two groups of 6 teams. All Teams will play a total of five (5) matches throughout *Season One* (excluding playoffs matches). These matches will be against every other Team in a Team's respective group.
- 4.4 **Matches and Standings. Match Structure.** Each match will consist of four competitive maps selected by the Tournament Administration. The winner of each match will be the Team that has won more maps than the other Team. All four maps will be played, regardless of the outcome of the first three maps. The win/loss differential of all four maps will count toward the end-of-season rankings of Teams in the event of ties.
- 4.4.1 **Ties.** Tiebreaker matches will be played at the conclusion of a Four Game Set that ends in a tie. As a result, teams will play a **Best of 3** on **Oasis** to break the tie and award the Match Win. Match Tiebreakers will not be included in total map win counts for standings.
- 4.4.2 **Standings.** Standings will be represented by win and loss totals. In the event that two or more teams are tied in the standings at the end of the Regular Season, the first tiebreaker will be total Maps Wins (the team with the higher number of Map Wins during the Regular Season will break the tie). If total Maps Wins is tied between the two (2) teams, then the head to head record between the two teams in question will be evaluated where the winning team will advance.
- 4.5 **Playoffs.** Each Region will feature a single elimination bracket style playoffs consisting of the Top 4 teams from each Season One Regular Season group. The First Seed (1st) will play the Fourth Seed (4th) from the opposite group and the Second Seed (2nd) will play the Third Seed (3rd) from the opposite group in the Best of Five (5) Quarterfinals of each region. The winners of the Quarterfinal matches will play in the Best of Five (5) Semifinal matches. The winners of the Semifinal matches will play in a Best of Seven (7) Grand Final match to determine First and Second place in each region. Map pools for playoffs will be communicated to Teams prior to tournament play.
- 4.6 **Season One Regional Schedule Documents.** Unique scheduling documents will be provided to Teams prior to the event. This document will include all scheduled matches over the duration of Overwatch Contenders *Season One*. The following is a general overview of the dates for *Season One*.

- 4.7 **Contenders Trials Schedule.** All Contenders Trials will take place over three weeks. Teams will be assigned two (2) matches on Week 1, three (3) matches on Week 2, and their two (2) remaining matches on Week 3.
- 4.8 **Scheduling Changes.** Tournament Administration reserves the right to reorder schedule of matches within a given day and/or change the date of the match to a different date, or otherwise modify the schedule of matches. In the event that the schedule is modified, Tournament Administration will inform all Teams at the earliest convenience.
- 4.9 **Rescheduling.** Rescheduling matches will not be an option for Teams for the duration of *Season One*. Teams are responsible for any of their own technical issues, including hardware, software, or internet issues. Matches are to be continued once Pause Time expires, utilizing substitute Players present on a Team roster when necessary.
- 4.10 **Participant Availability.** Although the match schedule is produced prior to the event, Teams must be available to play at any time on a day that their match is scheduled. For example, if a Team is scheduled to play at 1:00 PM PDT on January 7th, they must be available on January 7th to play their match earlier or later that day, as necessary and directed by Tournament Administration.
- 4.11 **Season Two Contenders Trials.** At the conclusion of Season One regular season play, the bottom four (4) Teams from each Region (the bottom two (2) teams from each of the two (2) groups per Region) will be placed into the Contenders Trials, to be held before 2018 Contenders Season Two starts. The four (4) teams from Contenders will meet against four (4) of the top Teams from the Open Division who are invited into the Trials. These eight (8) Teams will play a single round robin to determine which four (4) Teams will receive invites into 2018 Contenders Season Two.

5.MATCH DETAILS

- 5.1 **Map Rotation.** The Map Pool will be predetermined for Overwatch Contenders *Season One*. Tournament Administration reserves the right to change the Map Pool at any time. The Map Rotation is as follows:
- 5.1.1 **4 Game Set: Control, Hybrid, Assault, Escort**
- 5.1.2 **Contenders Map Pool.**
- 5.1.2.1 Control: Ilios, Nepal
 - 5.1.2.2 Hybrid: Hollywood, Numbani
 - 5.1.2.3 Assault: Hanamura, Horizon Lunar Colony
 - 5.1.2.4 Escort: Junkertown, Dorado
 - 5.1.2.5 Tiebreaker: Oasis
- 5.1.3 **Contenders Trials Map Pool.**
- 5.1.3.1 Control: Lijiant Tower, Oasis
 - 5.1.3.2 Hybrid: King's Ros, Numbani
 - 5.1.3.3 Volskaya Industries, Horizon Lunar Colony
 - 5.1.3.4 Dorado, Route 66
 - 5.1.3.5 Tiebreaker: Nepal

- 5.2 **Match Settings.** Matches will be played on the "Competitive" Ruleset, with Skins and Kill Cam disabled.
- 5.2.1 Sprays, Emotes, and Golden Guns are allowed.
 - 5.2.2 Control maps will be set to "Score to Win: 2".
- 5.3 **Matchup Map/Side Selection.** Teams will be provided with a web form prior to each matchup. Team Managers will be responsible for completing this form for each matchup, which will reflect the team's Map Choice (and Side Choice for all applicable maps) of each round in a Match. This form will be used to expedite the Map Selection and Side Selection process during matches.
- 5.4 **Initial Map Choice.** Map 1 for each Match will be selected by Tournament Administration.
- 5.5 **Maps by Game.** Each game in a Regular Season match will follow the order below:
- 5.5.1 **Game 1:** Control
 - 5.5.2 **Game 2:** Escort
 - 5.5.3 **Game 3:** Assault
 - 5.5.4 **Game 4:** Hybrid
- 5.6 **Side Decisions.** The Team who does not choose the map, chooses side for that map.
- 5.7 **Next Map Choice.** Loser of a map selects the next map from the appropriate map pool depending per game, while the winner chooses side.
- 5.7.1 In the case of Control Point Maps, there is no side selection. In the case of a Map Draw, the Team that selected the previous map selects the next map.
- 5.8 **Pause Time.** Pauses are only available to teams in extreme circumstances, such as technical or network issues. Tournament Administration should be notified of reasons for the pause and will determine the proper actions forward to resolve paused matches.
- 5.8.1 If a full six (6) man roster is unable to be maintained throughout a map due to disconnect or other technical issue, the map will eventually be forced to continue as normal, with Teams playing without members that fail to connect.
 - 5.8.2 **Maximum Pause Time.** Tournament Administration will allow a maximum of 10 minutes of pause time and 3 pauses per Map. Teams must resolve the issue within that time. Failure to resolve the issue will result in the continuation of the map as normal.
 - 5.8.3 **Playing "Man-Down".** Maps may continue with a Team playing "Man-Down" (where a player fails to reconnect or solve technical issues, and cannot participate in the remainder of the map). Maps may not *begin* with a team playing "Man-Down". In the event that a Team is unable to field six (6) Players prior to map, utilizing any combination of Roster Starters and/or Substitutes, the Team will forfeit the map, and the Maximum Pause Time will be reset.
- 5.9 **Substitutions.** Teams may utilize any available substitute who is present on the roster following Roster Lock.
- 5.9.1 Substitutes may only be utilized in between maps during a match, and the substitution must be made without any delay of the match itself.
 - 5.9.2 Substitution requests must be sent to the Tournament Administration staff before the start of a second round of a map.
 - 5.9.2.1 For clarity, this means substitute requests must be sent in after the first point has reached 100% on Control or the point in a map where Teams switch sides and before the next map lobby has been created.

- 5.10 **Match Continuation.** Teams will be required to be prepared to immediately begin the next map once a match has begun (i.e. the next map may begin immediately following the conclusion of the previous map).
 - 5.10.1 If a Team requests time to resolve technical issues, this must be communicated to Tournament Administration.
 - 5.10.2 Teams may not request the delay of the next map due to personal breaks.
 - 5.10.3 **Halftime.** Following the conclusion of the second Map in a Four-Game-Set, there will be approximately five minutes of break time for Halftime. Teams may utilize this break as needed, but must be ready to play Map 3 and 4 directly following the conclusion of Halftime.

6.MATCH RULES

- 6.1 **Map Restarts.** The decision of what circumstances merit a map restart are solely at the discretion of Tournament Administration. Restart protocol will be decided by Tournament Administration and communicated to Team Managers before being executed.
 - 6.1.1 **Restart Instances.** Maps may be restarted in the event that **Game of Record** has not been established. Maps may need a restart in the following examples:
 - 6.1.1.1 Incorrect map is selected and loaded.
 - 6.1.1.2 Game Settings are not correct.
 - 6.1.1.3 The lobby needs to be remade (in situations where Players have trouble connecting to the map from lobby start).
- 6.2 **Game of Record.** Game of Record is established as a method to track when a map has progressed past the ability to remake.
 - 6.2.1 **Parameters.** Game of Record occurs when the "Setup" in-game timer reaches 0. At this time, Teams exit spawn rooms (such as in the case of attacking or assaulting).
 - 6.2.2 **No Return.** Once Game of Record has been established, Teams may no longer remake the map. As issues arise, Pause Time applies to that map. This includes the time in which a Team will be forced to play "Man-Down".
- 6.3 **Post-Match Process.**
 - 6.3.1 **Results.** Tournament Administration will be responsible for confirming and recording all map and match results in real time.
 - 6.3.2 **Break Time.** In cases where breaks or delays between matches and maps are necessary, Tournament Administration will inform the appropriate Team Managers as soon as feasible. Updates will also be provided to Teams as soon as available.
- 6.4 **Technical Issues.** Teams are responsible for any of their own technical issues, including hardware, software, or internet issues.
- 6.5 **Streaming.** Players will be allowed to stream their matches during Overwatch Contenders Season One only on the platform(s) designated by Tournament Administration, subject to the prohibition on third party sponsorships, advertising, or other commercialization set forth in **Section 8.2**. Players must stream with at least a **3-minute delay**.
- 6.6 **Server Location.** All matches will be played on a server in the applicable Region. For clarity, and by way of example, all North American Region matches will be played on servers located in North America.

- 6.7 **Reservation of Rights.** Tournament Administration reserves the right to cancel, suspend and/or modify Contenders competition, or any part of it, if any fraud, technical failures, human error or any other factor within or outside of Tournament Administration's control impairs the integrity or proper functioning of the Contenders competition, as determined by Tournament Administration. If Contenders competition is so terminated, Tournament Administration reserves the right to determine the winners of said competition from among all non-suspect, eligible Participants.

7.COMMUNICATION

- 7.1 **Lobby Creation.** Participating Teams will be invited to match lobbies by Tournament Administration prior to their match start time. Teams will be notified of the official tournament accounts that will be setting up lobbies.
- 7.1.1 **Lobby Communication.** Map and side picks will be communicated to Tournament Administration in lobby.
- 7.1.2 **Pauses.** Pause requests will be communicated in match chat during an ongoing match. The details of why a pause is requested *must be communicated* to Tournament Administration.
- 7.2 **Announcements.** Large announcements, general information, ruleset, and bracket can be found at overwatchcontenders.com. This website will serve as an information hub for both teams and spectators.
- 7.3 **Email.** Players may **email contenderssupport@blizzard.com** for any issues that they experience, or to provide feedback as necessary. This method will often receive slower responses than reaching out to administrators via the Contenders Discord channel.

8.SPONSOR RESTRICTIONS.

- 8.1 Teams and Players may acquire individual sponsorships. Teams and Players may not engage in joint negotiations or otherwise cooperate or coordinate with one another in the marketing or negotiation of sponsorships. Tournament Administration reserves the right to restrict sponsor involvement in Contenders activities, and all sponsorships used in connection with Contenders activities are subject to approval. Teams and Players may inquire as to whether a sponsor is permissible by contacting Tournament Administration at contenderssupport@blizzard.com.

14. RESOLUTION OF DISPUTES

- 14.1 **Disputes Regarding League Rules.** Blizzard has final, binding authority to decide disputes with respect to the breach, termination, enforcement, or interpretation of Sections 1, 2, 3, 4, 5, 6, 7, 8, 9, 10 and 11 of these Official Rules ("**Rules Dispute**").
- 14.2 **Binding Arbitration for Arbitration Disputes.** Any dispute, claim or controversy that Blizzard may have against a Participant or that a Participant might have against Blizzard, and any dispute, claim or controversy arising out of or relating to Contenders or these Official Rules or the validity thereof, including the determination of the scope or applicability of these rules to arbitrate, and that is not otherwise subject to Blizzard's final, binding authority (whether under Section 14.1 or under separate written agreements entered into with Blizzard or its affiliates) or otherwise subject to arbitration under separate written agreements entered into with Blizzard ("**Arbitration Dispute**") will be finally settled under the Rules of Arbitration of the International Chamber of Commerce by a single arbitrator appointed in accordance with the said Rules. The place of arbitration will be Los Angeles, California. All matters relating to the arbitration, including any final award, will be considered the confidential information of the parties to the Arbitration Dispute. The parties to any Arbitration Dispute agree that they will only file with the court the portions of the award necessary to enter judgment and enforce the award and that they will make every effort to exclude confidential information from what is to be filed with the court, with any disagreements related thereto to be decided upon by the arbitrator prior to any court filing. The decision of the arbitrator will be final and binding on the parties to the Arbitration Dispute, and any award of the arbitrator may be entered in any court of competent jurisdiction. This Section 14.2 will not preclude a party to a dispute from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction in respect of Arbitration Disputes or preclude Blizzard from seeking and obtaining from any court of competent jurisdiction (without the need for Blizzard to post any bond or other security) temporary and/or preliminary injunctive relief against a Participant for any breach by the Participant of the terms of these Official Rules. Except as otherwise provided by these Official Rules or applicable law, each party to any legal action or proceeding brought against the other party will be responsible for his/her/its own attorneys' fees, experts' fees, court costs and all other expenses sustained in the course of such litigation (including any appeals).
- 14.3 **Class Action and PAGA Waivers.**
- 14.3.1 By agreeing to these Official Rules, each Participant agrees that any arbitration will be limited to the Arbitration Dispute between Blizzard and the Participant individually.
- 14.3.2 By agreeing to these Official Rules, each Participant acknowledges and agrees that: (i) a claim by, or on behalf of, other persons, will not be considered in, joined with, or consolidated with, the arbitration proceedings between the Participant and Blizzard; (ii) there is no right or authority for any Rules Dispute or Arbitration Dispute to be arbitrated, adjudicated, or resolved through court proceedings on a class-action, collective action, private attorney general or representative action basis (other than an action brought under the Private Attorneys General Act, California Labor Code sections 2698 et seq. ("**PAGA**"), separately addressed in Section 14.3(c) below) or to utilize class action, collective action, or non-PAGA private attorney general or representative action procedures; and (iii) the Participant will not have the right to participate as a class representative, collective action representative, or non-PAGA private attorney general, or as a member of any class, collective action, or non-PAGA private attorney general or representative action for any Rules Dispute or Arbitration Dispute. Under no circumstances does any Participant or Blizzard agree to class, collective, non-PAGA private attorney general or representative action procedures in arbitration or court proceedings or the joinder of claims in arbitration or court proceedings. The foregoing

provisions of Section 14.3.1 and this Section 14.3.2 are referred to as the “**Class Action Waiver**”.

14.3.3 By agreeing to these Official Rules, each Participant acknowledges and agrees that: (i) there is no right or authority for any Rules Dispute or Arbitration Dispute to be arbitrated, adjudicated, or resolved through court proceedings on a PAGA basis, or to utilize PAGA procedures; and (ii) the Participant will not have the right to participate as a private attorney general, representative, or as a member or claimant of any PAGA private attorney general or representative action for any Rules Dispute or Arbitration Dispute. Under no circumstances does the Participant or the League Office agree to PAGA private attorney general or representative action procedures in arbitration or court proceedings or the joinder of claims in arbitration or court proceedings. The foregoing provisions of this Section 14.3.3 are referred to as the “**PAGA Waiver**”.

14.3.4 In any case in which: (i) the Rules Dispute or Arbitration Dispute is filed or pursued as a class action, collective action, or non-PAGA private attorney general or representative action; and (ii) all or part of the Class Action Waiver is found to be unenforceable, the class action, collective action, or non-PAGA private attorney general or representative action to that extent must be litigated in a civil court of a competent jurisdiction within Los Angeles, California, but any individual claims for which the Class Action Waiver is deemed enforceable must be litigated separately in arbitration. The Class Action Waiver will be severable in any case in which the Rules Dispute or Arbitration Dispute is filed or pursued as an individual action and severance is necessary to ensure that the individual action proceeds in arbitration.

14.3.5 In any case in which: (i) the Rules Dispute or Arbitration Dispute is filed or pursued as a PAGA private attorney general or representative action; and (ii) the PAGA Waiver is found to be unenforceable, then: (i) the unenforceable provision will be severed from this agreement; (ii) severance of the unenforceable provision will have no impact whatsoever on the arbitration of any remaining claims on an individual basis pursuant to Section 14.3 of this agreement; and (3) any PAGA representative or private attorney general action must be litigated in a civil court of a competent jurisdiction. To the extent there is any Rules Dispute or Arbitration Dispute to be litigated in a civil court of competent jurisdiction on a PAGA private attorney general or representative action basis because the PAGA Waiver is deemed unenforceable with respect to that Rules Dispute or Arbitration Dispute, then the parties agree that litigation of that Rule Dispute or Arbitration Dispute will be stayed pending the outcome of any individual claims in arbitration. The PAGA Waiver will be severable in any case in which the Rules Dispute or Arbitration Dispute is filed or pursued as an individual action and severance is necessary to ensure that the individual action proceeds in arbitration.

14.4 **Governing Law.**

14.4.1 All Rules Disputes and Arbitration Disputes will be governed by and construed under the laws of the United States of America and the law of the State of New York, without regard to choice of law principles, provided that Blizzard will have the right to disqualify any Participants that are rendered ineligible to participate due to local law. This selection of governing law shall supersede any prior choice of law contained in any prior version of the Official Rules executed by the Participant.

14.4.2 Participants agree to be bound by these Official Rules and by the decisions of Blizzard with respect to the disciplinary actions imposed for their violation, which are final and binding in all respects.

OVERWATCH CONTENDERS PARTICIPANT OFFICIAL RULES ACCEPTANCE FORM

The 2018 Overwatch Contenders Official Rules, including any updates, amendments or supplements thereto (“**Official Rules**”), govern the conduct all Teams, Team Owners, Team Managers, Team Staff, and Players (“**Participants**”) who are actively participating in Contenders or any event related to Contenders. For purposes of ensuring fair play, to preserve the integrity of all Contenders events, and to ensure a consistent and high quality experience for members of the public that view Contenders events, you must accept the Official Rules in order to participate in Contenders, and you must abide by the Official Rules in order to remain eligible to participate. You can accept the Official Rules by signing this Overwatch Contenders Official Rules Acceptance Form (“**Acceptance Form**”).

The Official Rules form a contract between Participants, on the one hand, and Blizzard and its affiliates who are engaged in operating Contenders, on the other hand. The Official Rules contain limitations of liability, license grants, and other legally binding contractual terms. Each Participant is required to read, understand, and agree to the Official Rules before participating in Contenders.

THESE OFFICIAL RULES AND ALL DISPUTES RELATED TO OR ARISING OUT OF YOUR PARTICIPATION IN CONTENDERS ARE GOVERNED BY A BINDING ARBITRATION CLAUSE IN SECTION 14 AND A WAIVER OF CLASS ACTION RIGHTS. THAT CLAUSE AFFECTS YOUR LEGAL RIGHTS AND REMEDIES, AND YOU SHOULD REVIEW IT CAREFULLY BEFORE ACCEPTING THE OFFICIAL RULES.
